About LOL Therapy

LIVE, DON'T JUST EXIST

Dvine Systems GA Professional Licensed Counselors is proud to host LOL Therapy, a quarterly therapeutic workshop and comedy show in Hampton, Georgia. Since its inception in September 2022, the event has been an ongoing success throughout 2023. Taking place on Sundays from 2 pm to 5pm at a convenient location on Old Griffin Rd. near downtown Hampton, the three-hour workshop and comedy show has recieved great reviews and is quickly becoming a Go-To event in Henry County.

The Program

We start the event with local artists to help guide participants towards becoming more centered and open to the information that will be presented. Next, a licensed therapist delivers an interactive presentation lasting an hour on a mental health topic. Then after a brief ten-minute intermission with light refreshments, a professional comedian performs a 30-minute set for entertainment. Finally, the licensed therapist closes the event with a 30-minute conclusion on the mental health topic.

Event Partners

LOL Therapy has been partnered with the Atlanta Black Chambers, Caresource Insurance, Atlanta Fibroid Center, Wellness Inspire, State Farm Insurance, Perspire Sauna Studio, Elevated Eyecare and American Family Insurance company, Macy's and more.

Past speakers and performers include: Relle the poet, Jamiesa Monroe yoga coach, Izzyreal comedian, Kenneth L. Johnson "Big Kenny" comedian, Cheron Crouch LPC, Sabine Shuler LPC, Tiffany Taylor LCSW BCD.

In Attendance

Past notable attendees include: Hampton Mayor Ann Tarpley (L, printed top) sitting along side Mrs. "BIG KENNY" Johnson and Stockbridge City Councilman Elton Alexander along side of (host) Glendora Dvine, LPC BCTMH.
